

## TLILIC3003 Licence to operate a bridge and gantry crane

<b>Course Duration:</b>	Three days
<b>Venue:</b>	To Be Determined
<b>Investment: *</b>	\$1200

---

### **ENTRY REQUIREMENTS**

Participants must provide 100 points of identification and be 18 years of age or over.

Maths is a major part of the theory component and a sound understanding is essential to be able to complete this training. You must have the ability to use and understand Basic English.

Trousers, shirt and safety boots are required to be worn at each session.

### **PURPOSE**

Our three day training course is for people who have minimal or no bridge and gantry experience.

It's an intensive, hands-on training course, with the majority of the time spent operating the crane.

A strong theoretical and calculations component is also included that focuses on safe operating procedures.

### **WHAT WILL YOU GAIN?**

You will gain an understanding of applicable legislation and standards and risk management associated with bridge and gantry crane operations and also include:

- Pre – operation checks
- Plan work
- Conduct routine checks
- Transfer loads
- Shut down
- Secure the crane

### **TRAINING**

The Training will be delivered by an experienced and qualified trainer, face to face.

The training follows a specifically prepared course session plan and utilises materials such as participant guides, review questions, and practical demonstration and tasks.

## ASSESSMENT

Mandated national assessment tools are used and include Theory, Calculations and Practical Assessments

## WHAT WILL YOU RECEIVE?

On successful completion of the program you will receive a Statement of Attainment for TLILIC3003 - Licence to operate a bridge and gantry crane

This program is nationally recognised.

You will receive an interim High Risk Scaffolding Basic licence, in which you must lodge at a Service Tasmania outlet within 60 days. You will also need to pay them the prescribed fee.

## RECOGNITION OF PRIOR LEARNING

### Experienced Persons

- If you have at least 50 hours experience as a bridge and gantry crane operator (Log Book required or Statutory Declaration) and do not have a high risk work licence, or
- Have undertaken bridge and gantry training but did not get your high risk work licence

We have a program especially designed to recognise your prior learning (RPL) and thus allowing you to undertake the course over a shorter period.

## **TRAINING ON YOUR SITE?**

Yes Training and assessment can be conducted on your site using your equipment

### **What are the options for performing high risk work?**

There are only two options. All persons performing high risk work must either;

1. hold (or applied for) a licence in accordance with the regulations of the jurisdiction where they work, or
2. be engaged in formal training with a Registered Training Organisation (RTO).

A licence is required for any person performing work with high risk equipment or plant. The licence is valid in every Australian state and territory, enabling the holder to operate or work with high risk equipment under consistent standards anywhere in Australia.

A training manual is provided to assist applicants throughout the training/assessment. This is used, together with instructions from the trainer to ensure that each applicant has a thorough understanding of the equipment demonstrated.

### **Specific resources required for performance assessment at your site**

- A bridge and gantry crane with a minimum of four movements, in safe operating condition, which complies with the requirements of the relevant state legislation
- A working zone for the bridge and gantry crane, with site and task specific hazard control measures.
- Manufacturers operational manual, operational/service logbooks and crane load charts.
- A person licenced to perform dogging work to assist in slinging the load and directing the crane operator in moving the load
- Slings and associated equipment for the purposes of the performance assessment.
- Suitable materials to pigsty the crane
- Three different lift loads
  - 20% of total capacity of crane
  - 40% of total capacity of crane
  - 70% of total capacity of crane
- Two way radios and whistles

## TERMS AND CONDITIONS

### **Payment of Fees/Refunds: What if you Cancel/Transfer, What if we Cancel/Transfer?**

#### **Payment of Fees**

Fees are required to be paid prior to the commencement of courses. A deposit of 50% of the course fee is payable at time of enrolment with the balance payable prior to the commencement of the course.

#### **Our Cancellation/Transfer**

Whilst we always endeavor to run scheduled courses we reserve the right to cancel or defer a course.

- In the event of occurring cancellation all fees can be refunded or you may elect to transfer to a course that will run at a later date.
- **Your Cancellation/Transfer**
- If you are unable to attend a course, you may elect to re-schedule for that course, but only within 14 days of the original course date.
- We will only allow two (2) such transfers before an administration fee equivalent to 50% of the course fee value will be charged.
- If you cancel more than seven days prior to the course you may request to have any monies paid refunded in full or you may elect to be transferred to an alternative course with an administration fee adjustment.
- If you cancel less than seven days prior to the course you will be charged a 50% (course fee) cancellation fee.
- Should you not attend training/assessment a 100% cancellation fee, or loss of deposit, will apply.

#### **Refunds**

All applications for refund must be made in writing using the F003-Refund Request Form. This form will then be provided to the Training Manager, or their delegate who will consider the request in line with the RTO's policy and procedure.

You will need to attach supporting evidence (e.g. Doctor's Certificate / hardship) as is deemed appropriate with the written request.
