**Investment: \*** Depending on funding /POA

---

## **ENTRY REQUIREMENTS**

Participants must provide identification and be 18 years of age or over.

Sound verbal and written comprehension of the English language is mandatory.

Personal Protective Equipment will need to be worn according to worksite policy.

Funding through Skills Tasmania is available provided that the eligibility for the program is met.

## **PURPOSE AND SKILLS GAINED:**

This training aims to provide persons with the extra skills and knowledge required to advance in their career.

This qualification reflects the role of the skilled operator working with civil construction plant, who applies a broad range of skills in a varied work context, using some discretion and judgement and relevant theoretical knowledge.

The training could assist those working as backhoe operators/ bulldozer operators/ dozer operators / earthmoving plant operators/ excavator operators/ front-end loader operators/ grader operators/ haul truck operators and others to move into a more senior role or advance beyond those presently holding similar qualifications and become more skilled and proficient in their chosen field.

## **TRAINING**

The Training will be delivered by an experienced and qualified trainer, face to face.

You will have a mix of off-the-job (learners guide) and on-the job (trainer and supervisor instruction) training.

The training follows a specifically prepared delivery plan.

## ASSESSMENT

Assessments will be conducted using a theory and practical assessment tool.

The assessor will inform you of each of the assessments prior to them being conducted.

## RECOGNITION OF PRIOR LEARNING

An interview will be conducted with a trainer and assessor. Questions will be asked so you can demonstrate your level of competence.

You will need to supply evidence of experience in the particular competency. This evidence of experience will need to entail the mandatory requirements of each competency that you wish to apply. If gaps are identified, training will be conducted before undertaking assessment for these gaps.
