### **ENTRY REQUIREMENTS**

Participants must provide identification and be 18 years of age or over.

Sound verbal and written comprehension of the English language is mandatory.

Trousers, shirt and safety boots are required to be worn at each session.

### **PURPOSE:**

Our one day training course is for people who have minimal or no confined space operating experience.

It's an intensive, hands-on training course. A strong theoretical component also focuses on safe operating procedures.

To complete the refresher course you must supply a copy of your old competency.

### **WHAT WILL YOU GAIN?**

You will gain an understanding of these four critical aspects to becoming a successful and safe operator in a confined space.

1. Plan and prepare for working in confined space
2. Work in a confined space
3. Exit confined space
4. Clean up

### **TRAINING**

The Training will be delivered by an experienced and qualified trainer, face to face.

The training follows a specifically prepared course session plan and utilises materials such as participant guides, review questions, a workbook and practical tasks.

## **ASSESSMENT**

Assessments will be conducted using a theory and practical assessment tool.

The assessor will inform you of each of the assessments prior to them being conducted.

## **WHAT WILL I RECEIVE?**

On successful completion of the program you will receive a Statement of Attainment for RIIWHS202D Enter and work in confined spaces.

This program is nationally recognised.
