

TLILIC2005 - Licence to operate a boom-type elevating work platform (boom length 11 metres or more)

Course Duration: Two days

Venue: **OnRoad OffRoad Training Complex**
24 Jackson Street, Glenorchy TAS 7010

Investment: * \$500

ENTRY REQUIREMENTS

Participants must provide 100 points of identification and be 18 years of age or over.

Maths is a major part of the theory component and a sound understanding is essential to be able to complete this training. You must have the ability to use and understand Basic English.

Trousers, shirt and safety boots are required to be worn at each session.

PURPOSE:

Our two day training course is for people who have minimal or no EWP operating experience.

It's an intensive, hands-on training course, with the majority of the time spent operating the equipment.

A strong theoretical and calculations component is also included that focuses on safe operating procedures.

WHAT WILL YOU GAIN?

You will gain an understanding of these five critical aspects to becoming a successful EWP driver/operator:

- Pre-operational inspection
- Familiarisation of the EWP
- Handling characteristics
- Manoeuvring of the EWP
- Shutdown and secure EWP

TRAINING

The Training will be delivered by an experienced and qualified trainer, face to face.

The training follows a specifically prepared course session plan and utilises materials such as participant guides, review questions, and practical demonstration and tasks.

ASSESSMENT

Mandated national assessment tools are used and include Theory, Calculations and Practical Assessments

WHAT WILL YOU RECIEVE?

On successful completion of the program you will receive a Statement of Attainment for TLILIC2005 - Licence to operate a boom-type elevating work platform (boom length 11 metres or more)

This program is nationally recognised.

You will receive an interim High Risk Forklift licence, in which you must lodge at a Service Tasmania outlet within 60 days. You will also need to pay them the prescribed fee.

RECOGNITION OF PRIOR LEARNING

Experienced Persons

- If you have at least 50 hours experience as a Work Platform Operator and do not have a high risk work licence, (Evidence must be provided in the form of a log book or Statutory Declaration) or
- Have undertaken work platform training but did not get your high risk work licence

We have a program especially designed to recognise your prior learning (RPL) and thus allowing you to undertake the course over two days.

TRAINING ON YOUR SITE?

Yes Training and assessment can be conducted on your site using your equipment

What are the options for performing high risk work?

There are only two options. All persons performing high risk work must either;

1. hold (or applied for) a licence in accordance with the regulations of the jurisdiction where they work, or
2. be engaged in formal training with a Registered Training Organisation (RTO).

A licence is required for any person performing work with high risk equipment or plant. The licence is valid in every Australian state and territory, enabling the holder to operate or work with high risk equipment under consistent standards anywhere in Australia.

A training manual is provided to assist applicants throughout the training/assessment. This is used, together with instructions from the trainer to ensure that each applicant has a thorough understanding of the material demonstrated.

Specific resources required for performance assessment at your site

- A boom type elevating work platform with a boom at or above 11 metres, in safe operating condition which complies with state regulatory requirements.
- A working zone for the boom type elevating work platform, with site and task specific hazard control measures.
- Manufacturer's operational manual, and operational/service logbooks.
- The working zone must be enable the candidate to safely demonstrate a lift up to 75% of the maximum reach of the EWP.
- A selection of safety harnesses which comply with the requirements of the state regulatory.
- Two way radios and whistles
