PURPOSE:

Our two day training course is for people who have minimal or no tip truck operating experience.

It's an intensive, hands-on training course, with the majority of the time spent operating the equipment.

A strong theoretical component is also included that focuses on safe operating procedures.

WHAT WILL YOU GAIN?

You will gain an understanding of these five critical aspects to becoming a successful tip truck driver/operator:

:

1. Pre Start Inspections
2. Cabin Controls and Dashboard orientation
3. Common activities and/or tasks to load, transport and tip materials
4. Shut down procedure and carry out maintenance
5. Machine fundamentals, Safety & Emergencies and clean up

TRAINING

The Training will be delivered by an experienced and qualified trainer, face to face.

The training follows a specifically prepared course session plan and utilises materials such as participant guides, review questions, a workbook and practical tasks.

ASSESSMENT

Assessments will be conducted using a theory and practical assessment tool.

The assessor will inform you of each of the assessments prior to them being conducted.

WHAT WILL I RECEIVE?

On successful completion of the program you will receive a Statement of Attainment for RIIV304D Conduct tip truck operations.

This program is nationally recognised.

TRAINING ON YOUR SITE?

- Yes Training and assessment can be conducted on your site using your equipment following a risk assessment by the OnRoad OffRoad. Where this is the case you must also have access to the following
- Suitable area for tip truck activities
- A registered and roadworthy Tip Truck
- Loads
- Suitable area to load and unload the tip truck
- Log book- operators manual
- PPE-hard hat, vest, boots ,glasses ,ear plugs
- And a sufficient room to conduct class room activities/assessments (Classroom preferred)

RECOGNITION OF PRIOR LEARNING

An interview will be conducted with a trainer and assessor. Questions will be asked so you can demonstrate your level of competence.

You will need to supply evidence of experience in operating a tip truck.

If gaps are identified, training will be conducted before undertaking assessment for these gaps.
